PROFESSIONAL EXPERIENCE

REGATE.IO, PARIS - FRANCE   2023 - 2023

Regate automates your financial management and accounting to save you time on a daily basis. Accounting that is 100% integrated with your accounting production software.

Squad Lead developer

- Led initiatives in transverse areas, including e2e automated tests, to improve application robustness and reliability
- Developed a comprehensive strategy for application overall monitoring, encompassing Datadog, analytics, and error tracking resulting in a notable reduction from three to one tools used, optimizing operational efficiency
- Managed a team of two developers and provided leadership to a group of four individuals including project manager and quality assurance professionals

SOCIOS.COM/CHILIZ, GZIRA - MALTA   2021 - 2023

Socios.com is a new app for sports and esports fans, where you acquire voting rights to influence the clubs and teams you love.

Frontend developer

- As a member of the Crypto & Trading Team, actively contributed to the redesign of finance-related features such as deposits and withdrawals to enhance user experience. Tackled challenges in security, transaction speed, and NFT marketplace integration

OCTOBER, PARIS - FRANCE   2018 - 2021

October (ex-Lendix) is the #1 SME Lending marketplace in continental Europe.

React Native developer

- Owned the entire development of the mobile application as the sole mobile developer, ensuring comprehensive control and seamless execution. Achieved an outstanding 1150% increase in store reviews, elevating user engagement from 40 to 500 reviews after more than 3 years working on the mobile application
- Led a rebranding initiative for the mobile app, orchestrating a full user interface redesign to enhance user experience, transforming it from Lendix to October (collab with Designer, Product Manager and Customers support team)
- Expanded app's global presence by launching it in a new country (Netherlands)

ATOS - (INTERN), PARIS-FRANCE   2016 - 2016

A leader in cloud and digital workplace, Atos is also #1 in managed security services in Europe and #3 worldwide.

React Native developer

- Conducted a hands-on internship, spearheading a Proof of Concept by evaluating various solutions for mobile development framework and presenting a detailed analysis, including pros and cons, to the manager for informed decision-making
